What will you do:

You will coordinate a team of approximately 3 persons and work alongside your colleagues,

We need you to:

- carry out construction and building maintenance works;
- check the status of the works and make sure that everything goes according to plan;
- plan, monitor and coordinate the activity of the workers;
- prepare the necessary materials, equipment and human resources for the work it performs;
- coordinate a team of approximately 3 people.

What you come with:

- experience in the construction field and team coordination;
- Orientation towards results and problem-solving;
- Attention to details;
- Respect deadlines;
- Responsibility and determination;
- Availability to travel between the locations of our farms;
- Category B license;

As part of our team, you will have access to:

- Fulfilling work in a team-spirit environment
- Rewarding salary package
- One hot meal a day
- Bonus: pig meat - half carcase -3 times per year
- 21 days of holiday
- Access to private medical services
- Programs for employees
- Summer Party for all employees
- Professional and personal development opportunities
