Brief job description:

We offer demanding and responsible work in the management and development of a farrowing or reproduction team, having responsibility over the introduction of new people, task management, ensuring daily care and achieving results in the farrowing or insemination section of the sow farm in Slovakia. Care for about 2,000-3,000 sows and small piglets. We will carefully introduce you to the teamleader role in close cooperation with Farm manager.

Benefits:

- attractive salary
- accommodation on company cost or accommodation allowance to salary
- 1 employee pig/year free
- Xstmas vouchers
- free water, coffee, tea
- summer party for employees and family members
- Christmas dinner and gifts
- 2 times a year teambuilding
- after a year worked potential future development in the 2-year Danish educational program "Farm production manager" within the organization Danish Farmers Abroad abroad (DFA)

Requirements:

- previous demonstrable experience of leading people on a sow farm as teamleader, supervisor, foreman, etc.
- knowledge of the English language in combination with one of slavic languages (Slovak, Czech, Polish, UA, RU) or in combination with Hungarian language
- EU or UA citizen
- very good communication skills and confidence
- organizational skills
- time flexibility and the ability to adapt to the needs of the farm (working on a farm with live animals is a lifestyle, not a job "from-to")
- personal interest in the farming business and pig breeding
- resistance to stress
- active problem solving attitude
- driving licence B

Information about the selection procedure:

If you meet our conditions, please send us your CV English language. We will only reply to candidates who meet the advertised conditions. Thanks for understanding :-)
