

We are looking for a skilled farmer to take care of slaughterpigs

We want to get more skilled hands to our team around our slaughter pigs and are looking for a person with a minimum of 3 years of experience with slaughter pigs to be in charge of our site "Mastrup" with approx. 9,200 pen places and our own feed production.

Who are we?

Krogsgaard Landbrug is a farm around Ringkøbing.

We are 35 employees divided into 3 teams, and our full-line production counts 2,800 annual sows.

New position as responsible at Sandalvej 3, 6950 Ringkøbing

As we are reorganizing our team around the slaughter pigs towards the New Year, we are looking for a person responsible for our largest site, Mastrup. The property is a modern bare ground project built in 2012 and later expanded in 2018. There is associated feed production that supplies the property with feed. The current person responsible for the site will transition to a more supportive role and will be close to ensure a good transition and subsequent support. You will be free under the responsibility you can bear and will be responsible for a student and a part-time person on a daily basis to help you. Your tasks will include almost all tasks related to a slaughter pig production with associated feed production.

Job start no later than 1 December.

Why choose Krogsgaard Landbrug?

At Krogsgaard Landbrug we have 3 essential values – PEOPLE – GROW – FOOD

We have a lot of focus on being a good workplace and that you as a person develop. We gather all 35 employees every week and also have social events via our staff association. Our goal is to be stable in the best quarter in terms of results and we focus on always having open doors, so things must look good and be done decently for both animals, people and the surroundings.

We offer a good salary according to a collective agreement, and we are also happy to help you find a place to live. As a rule, there is a working weekend every third weekend and the position will also require that you are part of a shift scheme for your own site.

Can you nod yes to the following?

- You have a minimum of 3 years of experience in caring for slaughter pigs.
- You are cooperative and take responsibility.
- You are result-oriented and skilled at your profession.

... Then we would love to hear from you!
