Worker for Pigproduction

We are looking for new Team-player for our teams.

Your assignments will be different tasks throughout the production. You will work with sows, piglets and slaugther pigs.

You will be working together with our experienced employes. That will give you the opportunity to learn more about pigs and be a part of at team that makes great results.

You must have a minimum of one year experience in the care of pig. Depending on your abilities and experience, you will have the opportunity to work in the department you want the most in the long term.
