

Student or assistant for organic dairy farm. Medhjælper søges

We are looking for a student or assistant for organic dairy farm. Søger medhjælper til at malke

We cannot hire praktikant who have used here 18-month.

We have 800 cows with almost 12,000 EKM with a very high health

The stable has a large welfare department and sand in the beds.

We are primarily looking for someone to milk, but there will also be other jobs.

Would you like to move to one of Denmark's most beautiful regions, close to the fjord and the sea?

We can provide housing close to the farm.

It is a dynamic workplace where a lot is happening, and we place great importance on a positive working environment for everyone. Here, you will have the opportunity to grow, learn new things, and face new challenges.

Start date: August 2026
